14/01/1999

A spirited individual with a keen aptitude for learning, and the enthusiasm to contribute to a team. I pride myself on my interpersonal skills, my commitment, and my creativity. I will wholeheartedly (and if required, quite literally) throw myself into any assignment in a working environment, always ready to put my impassioned work ethic on display.

Experience

Waiter, Tapas Revolution; Brighton (March-October 2021)

I waited tables, worked on bar, as well as front of house and floor manager, ensuring customers felt comfortable and well-catered for.

Administrative Office/Website Assistant, Bookers & Bolton Solicitors; Alton (2015-2020)

The role involved organising wills, deeds, and other legal documents in a law firm, ensuring all the paperwork was filed correctly, whilst managing the company website.

Care and Support Worker, St. John's College; Brighton (December 2020-September 2021)

My responsibilities involved supporting young adults with learning difficulties and autism in a residential setting, helping them learn valuable life skills.

Video Editor/Content Creator, Market Measures Ltd.; Winchester (2021)

I undertook various creative and editorial tasks, producing informative market feedback videos for companies such as ScrewFix.

Rider, Deliveroo; Brighton (2020)

Delivering food and groceries across Brighton.

Bartender/Barista/Waiter/Porter, FPR Group Agency; Brighton (March-September 2019)

I worked hospitality in various high pressure environments across East Sussex, including weddings, music and corporate events, and hotels.

Intern, The Disney Company; Hammersmith (Summer 2016)

I had the experience of testing out new programming software for the Disney Channel, whilst developing a keener insight into how large media corporations operate first hand.

Education

2:1 Bachelor's Degree in Media & Communications from The University of Sussex.
